Summary

Aspiring Data Analyst with hands-on experience in data processing, analysis, and visualization. Pro cient in Python, SQL, and Tableau, with a strong foundation in statistical analysis, data cleaning, and machine learning concepts. Skilled in relational databases and data-driven decision-making. Eager to collaborate with cross-functional teams to derive actionable insights and support business goals. Committed to leveraging analytical skills and staying updated on the latest industry trends to deliver impactful solutions in a dynamic work environment.

Skills

Programming Languages: C,C++,Python,R
Libraries: Python Libraries
Databases: Relational Database(MYSQL)
Tools: Git, GitHub
Relevent Coursework: Data Srtuctures,Data Visualization,Database Management System.
Soft Skills: Problem Solving ,Analytical Thinking,Communication, Active listening
Big Data Tools: Hadoop,Spark

Projects

Blinkit Analysis

- Developed an interactive Power BI dashboard to analyze Blinkit's operational performance, including sales trends, delivery times, and customer satisfaction metrics, enabling data-driven decision-making.
- Leveraged data modeling and visualization techniques to uncover key insights, optimize business processes, and improve overall e ciency in the on-demand delivery domain.

Adidas Sales Analysis

- Developed an interactive Power BI dashboard to analyze Adidas sales data, providing insights into sales performance, revenue trends, and regional distribution.
- Streamlined data visualization and reporting by integrating key performance metrics, enabling data-driven decision-making and identifying opportunities for sales growth..

Education

Bachelor of Technology in Computer Science and Engineering (Data Science)	CGPA: 9.02
Rajeev Gandhi Memorial College of Engineering and Technology (RGMCET)	2026
XII (BIEAP)	CGPA:9.4
Narayana Junior College	2022

Achievements

-**Smart India Hackathon :** Selected for Smart India Hackathon with innovative project on **FootStep Power Generation**.
-**24-hrs Hackathon :** Participated in **CODEQUEST Event**, gaining skills through hands-on experience.

Certifications

-**Accenture North America:**Data Analytics And Visualization
-**Tata Data Visualization:**Empowering Business with E ective Insights
-**IBM Data Analytics:**Harnessing Data for Operational Excellence
